May 13, 2009

The Positive Results Corporation will be hosting an online auction fundraiser for Agapé Boarding School and Grace Academy to raise scholarship funds and to expand the safety and education programs.

The online auction fundraiser will begin June 7, 2009 and runs through June 16, 2009.

This fundraiser is unique because rather than requesting money, we are looking for items to be donated such as sports and celebrity memorabilia, designer clothing, art, cars, jewelry, electronics, vacations and hotel packages. So far, items received include horses to purses and everything in between. The more items up for bid...the more money we can raise, so we are asking for your help.

Of course, donations by cash, checks and credit cards are also accepted. All donations and gifts are tax deductible.

The website for this auction is: www.prc123.cmarket.com
