### New Loan Option

Clark Financing, through its product development division along with PNC Bank has launched a new fixed interest rate line of credit, Health Check. This product is exclusively offered to the therapeutic treatment industry through Clark Financing. The addition of this product line will further enhance access to funding for families and individuals in crisis. Health Check offers unique benefits:

- ✓ \$1000-\$25000 Loan Amounts
- ✓ Fixed Interest Rates starting at 6.99% to 13.99%
- ✓ No Pre-Payment Penalty
- ✓ No Annual Fee
- ✓ Minimal documents required
- ✓ 24-72 Hour pre-approval
- ✓ Overnight funding available after approval

Health Check is one of four lending options available through Clark Financing's product line. This multiple-lender, streamlined approach allows clients to receive customized financing so they can quickly afford the treatment of their choice.

Chelsea Dickinson, Marketing Director, Clark Financing, comments: "We are constantly listening to our clients, schools and treatment centers with a view to improve the types of financing available to this industry. The new product allows us to help more people afford the treatment options they need. Our company will continue to take action in researching and developing new financing options. Funding is often not available from traditional sources for private schooling and treatment. Clark Financing is committed to providing fast access to good funding, particularly during these challenging times. Adding Health Check is another step in the right direction."

Clark's prescreening process will make it easy for your prospective clients to determine their eligibility. If a client qualifies they will have the benefit from updates at every key stage of the loan process. It is easy to refer people to Clark Financing.
