It has been an honor over the past 5+ years to be associated with Timber Ridge School for Girls and also the wonderful staff who seek to better the lives of teenage girls and guide them into successful adulthood. I am leaving Timber Ridge and would like to introduce you to Beverly Ann Cox who will be filling the position of Admissions Director. You may reach her at 208-266-1465. Please give her a call and welcome her.

Warmest regards and continued success in the future,

Virginia Short
