West Ridge Academy is pleased to announce the hiring of Guy Hardcastle as Director of Business Development. "Guy will play a major role in our continued growth as a program and is a wonderful addition to our excellent team, we are thrilled to have Guy join us," said Ken Allen, Executive Director.

"Please join us in welcoming Guy to West Ridge, we are confident that he will be an invaluable resource to our school, to the professionals with whom we work with and for the families who are looking for hope and healing".

Guy has spent over a decade working with students and families both in the public school system as well as in wilderness programs.

He worked for many years as Director of Operations of Wilderness Quest and also worked with the Ascent program. Guy has a deep love and skill in working with groups, building relationships and helping others achieve success.

"I have seen West Ridge's care and concern for students and families and experienced their commitment to excellence first hand. I feel honored and fortunate to be joining such an outstanding organization with over 40 years of history."

Please feel free to contact Guy directly with any inquiries or questions you have regarding West Ridge Academy - he can be reached at 801-699-5877.

WEST RIDGE ACADEMY: *Since 1964, West Ridge Academy has been offering hope and healing to young men, young women and their families by providing quality services, education and experiences which promote personal accountability, spiritual awareness and change of heart.
