WinGate Wilderness Therapy is pleased to announce the addition of Woody Crowell as Director of Business. In this role, Woody brings years of proven experience and expertise in developing strong relationships with referring professionals as well as supporting families through the admissions process.

Working closely with our Director of Admissions, Brad Matheson, Woody looks to continue the development of a strong and viable program within the wilderness sector.

WinGate is extremely excited about such a strong addition to an already outstanding team.

If you have any questions or would like additional information regarding WinGate Wilderness Therapy, please call 800-560-3199.
